RE: Legal Opinion Regarding Agreement Not Fully Executed Due To No Approval By City Commission

Date: January 9, 2012

You forwarded me an agreement between the City of Coral Gables and Miami-Dade County that reallocates GOB funds received from the County between three projects being done by the City. The agreement has been fully executed by Miami-Dade County, but has not been fully executed by the City (there is no signature from the City Clerk executing the same). The reason why the agreement has not been fully executed is that I gave a legal opinion that the agreement needed to be approved by the City Commission. Hence, the agreement has been placed on the January 10, 2012 agenda as Item C-6. Please let me know if you need any further information.
