RE: Legal Opinion Regarding Unenclosed Private Balconies

Date: April 17, 2015

---

Pursuant to section 2-201(e)(1) and (8) of the City Code, and section 2-702 of the Zoning Code, that the attached balcony photos show "[u]nenclosed private balconies" as indicated in section 4-104(D)(7)(a) of the Zoning Code. For example, in the first photo (the second page of the attachment), the balconies are unenclosed because the horizontal side is open, and thus the balcony is not fully enclosed. Because these are unenclosed private balconies, they are not counted in the calculation of FAR in the MFSA District as indicated in section 4-104(D)(7)(a). This opinion is being issued after consultation with you, and I would note that you are in agreement.

Ramon,

This email confirms my opinion, pursuant to section 2-201(e)(1) and (8) of the City Code, and section 2-702 of the Zoning Code, that the attached balcony photos show "[u]nenclosed private balconies" as indicated in section 4-104(D)(7)(a) of the Zoning Code. For example, in the first photo (the second page of the attachment), the balconies are unenclosed because the horizontal side is open, and thus the balcony is not fully enclosed. Craig
