RE: Legal Opinion Regarding 229 Ridgewood Road Appeal of Historic Designation

Date: September 8, 2016

As mentioned below, I am writing to provide the procedure for a motion for reconsideration. Section 2-72(e) of the City Code establishes the following: “Reconsideration of vote previously taken: A motion to reconsider can be made by any member on the prevailing side, at anytime during the commission meeting, and as late as the following commission meeting.” (underlined emphasis added).

Based on this section, it is clear that a motion for reconsideration could be made at the same meeting as the original vote or at the next meeting. The motion would need to be made by a member of the Commission on the prevailing side. If the motion is then seconded (the second does not need to be from a member on the prevailing side), there would then be discussion and a vote as to whether to reconsider. If a majority of the Commission votes to reconsider, the matter would be set for a future quasi-judicial appeal hearing, where notice would be provided as established in the Zoning Code. If the request for reconsideration is denied, the ability to seek reconsideration ends once the meeting ends.

As for the Commission meeting on Tuesday, any member of the Commission or any appointed official may place an item on the agenda under section 2-69(i) of the City Code. Here, Commissioner Lago has placed the following item on the agenda as Item F-3: “Discussion by Commissioner Lago related to notice of historic designation appeals before the City Commission, including recent appeal related to 229 Ridgewood Drive.” Commissioner Lago may permissibly raise and discuss this topic, and may request that Ms. Bouchard as a resident be recognized to speak by the Mayor, but he will be unable to make any motion to reconsider the underlying vote, as he voted on the non-prevailing side in the appeal.

It is also my understanding that Mr. Gibbs would like to speak on behalf of Ms. Bouchard. I will discuss your request with the Mayor, as the Chair of the Commission. Please note, it is my opinion that Mr. Guilford should be given equal time.

One final point, this matter involves the requested reconsideration of a Commission appeal of a quasi-judicial matter. Based on the rule in *Jennings v. Dade County*, 589 So. 2d 1337 (Fla. 3d DCA 1991), I would request that any statements to the Commissioners regarding the pending rehearing request be provided in writing (and placed in the record pursuant to the quasi-judicial submission procedures) or be made at the City Commission meeting on the record at the time Item F-3 is discussed, subject to the Mayor's discretion.

This opinion is issued on behalf of the City pursuant to section 2-201(e)(1) and (8) of the City Code, as well as section 2-702 of the Zoning Code.
