RE: Legal Opinion Regarding Corrections to Zoning Code

Date: September 14, 2016

I was reviewing the Art in Public Places section of the Zoning Code and noticed several scrivener's errors that I am hereby correcting pursuant to my authority to correct scrivener's errors in the Zoning Code as established in section 2-201(e)(9) of the City Code. In particular, there are references to sections 3-2003, 3-2002, and 3-2004 on pages 3-106, 3-108, and 3-110, which are clearly intended to be sections 3-2103, 2-2102, and 3-2104 (as the text around these references is referring to provisions in the Art in Public Places section and the incorrect provisions are outside the Art in Public Places section; in contrast, it makes sense to reference the corrected section numbers). Please make these corrections.

This opinion is issued pursuant to section 2-201(e)(1), (8), and (9) of the City Code, as well as section 2-702 of the Zoning Code.
