RE: Legal Opinion Regarding Zika Operational Plan

Date: August 3, 2016

As discussed at today's meeting, and following consultation with the Mayor (consistent with section 6 of the City Charter and state law), it is my opinion and interpretation that the City has the full authority provided in section 252.38 of the Florida Statutes, section 6 of the City Charter, and related provisions in the City Code, to implement its Zika Operational Plan and take any other action appropriate to address the health advisories and alerts, including from the CDC, relating to the Zika virus in the Miami-Dade County area. As indicated, I spoke with the Mayor by phone, who agrees and is copied. This opinion is issued pursuant to section 2-201(e)(1) and (8) of the City Code, as well as section 2-584 of the Procurement Code.
